❏ Total tonnage of man-made debris removed:	867 (1820,532 lbs.)
❏ Total number of collected & recycled tires:	5,141
❏ Total tonnage of metal collected & recycled	20 (42,756 lbs.)
❏ Annual Cleanup Related Expenditures	\$23,900.00

Clinton Co. CleanScapes (CCC) would like to thank all the Counties, municipalities, the volunteers, the businesses and state agencies that have donated their time, equipment, or materials. In 2008, CCC partners, members & grant funders generously supported our efforts. This support directly invested in physically safer & visually welcoming areas for our community members and visitors to recreate & enjoy. Your continued support drives CCC to success and we encourage you to consider sponsoring 2009 CCC programming. *Thank you!*
