

Project Evaluation and Selection

The Clinton County Board of Commissioners will select projects for county CDBG funding based on the evaluation criteria and selection process outlined below.

Evaluation Criteria

1. Eligibility and compliance with CDBG requirements – Project activities must be eligible and meet all CDBG requirements, particularly benefit to 51% low-moderate income persons.
2. Comparative need and benefit – Projects with greater needs will receive more favorable review. Projects that provide as complete as possible solution to problems or needs will receive more favorable review.
3. Leverage of other funds – Projects that utilize other funds (federal, state, local, private) and public/private joint efforts to more completely address the problem or need will receive more favorable review.
4. Community benefit – Projects that advance the community livability strategies and meet the objectives of the Clinton County Comprehensive Plan will receive more favorable review.
5. Regional involvement – Projects that encourage regional/multi-municipal cooperation in addressing the problem or need will receive more favorable review.
