Clinton County Commissioners Issue Clarification

(Lock Haven, Pa.) – An inadvertent error in the preparation of the November 7th General Municipal Election ballot resulted in Rick Houseknecht, candidate for Woodward Township Tax Collector, being listed on the ballot as a Democrat instead of a Republican. The Clinton County Commissioners would like to apologize for this error, and clarify that Mr. Houseknecht is in fact a registered Republican. Since he was unopposed for the position, the error did not affect the election results.
