Resource Conservationist

The Clinton County Conservation District is accepting applications for a full time Resource Conservationist. This position would be responsible to administer programs such as Erosion & Sediment Control, NPDES and Stream Crossing General Permitting programs; reviewing plans and permit applications, conducting earth moving inspections, provide technical assistance on environmental regulations, investigating complaints, and offering training programs to various audiences. Must have ability to traverse difficult outdoor terrain, interpret environmental regulations and construction drawings. Bachelor's degree in Environmental Science, Natural Resource Management, Engineering, or an environmental related field with three to five years of natural resource conservation program management/field experience, or any combination of education and experience that provides equivalent knowledge, skills and abilities. Experience with Chapters 102 and 105 strongly preferred. Starting Salary: \$36,297.00 or commensurate with experience. Position requires a valid Pennsylvania driver's license and ability to drive a County vehicle. Offer of employment contingent upon a satisfactory pre-employment drug screen, background check and computer skills test. Job descriptions and applications are available at the Clinton County Conservation District or online at [www.clintoncountypa.com](http://www.clintoncountypa.com). Qualified candidates should submit an application and resume to Mary Ann Bower, Clinton County Conservation District, 45 Cooperation Lane, Mill Hall, Pa 17751, or online. Deadline for all submissions is December 18, 2017.

Jann Meyers, Chief Clerk
