**Life Center Shelter Program**

The Life Center Homeless Shelter is a program of the Clinton County Housing Coalition. The Life Center will help build stable and self-sufficient families and individuals by providing temporary shelter and life skills development through comprehensive and specific case management. Clients participate in programming focusing on improving seven major areas: vocational training, workplace skills, substance abuse counseling, interpersonal skill building, parenting, budgeting, and independent living skills

The Life Center now has a 4-bed sleep shelter for men called the Merit House. No participation in any of the shelter programs is required to stay here.

### **Life Center Rental Assistance Program**

The Life Center administers the ESG (Emergency Solutions Grant) and offers two types of assistance. Both have stringent financial income and rent reasonableness guidelines. The first is Homelessness Prevention. This offers rental assistance to clients facing an eviction. It can pay up to 6 months of arrears. It can also pay current rent for those with a need for continued assistance. The second is Rapid Re-Housing. This assistance is for those who are displaced or homeless due to an economic downturn, disability, etc. The funding can help with a security deposit, first month rent, and continued rental assistance if necessary. The ESG grant is pending continued renewal and is not a guarantee.

Assistance programs available to Pennsylvania residents include:

- **Pennsylvania Customer Assistance Program (PCAP)**

PCAP helps residential customers maintain electric service and eliminate their past-due balance by offering a reduced bill based on a percentage of income and debt forgiveness. Debt forgiveness credits are applied directly to participants' electric service accounts in recognition of payments that are made on time and paid in-full. PCAP participants also are automatically enrolled in the Equal Payment Plan (EPP) that provides the ability to make consistent monthly payments. Enrollment in the EPP is a requirement for PCAP. For more information call (888) 282-6816.

- **Low-Income Home Energy Assistance Program (LIHEAP)**

LIHEAP, a federally funded grant program administered by the Commonwealth of Pennsylvania through its network of local county assistance offices, provides customers help with paying winter heating bills, and occasionally summer cooling bills. LIHEAP funds may be used to pay an electric bill even if electricity is not the main source of heat. Call (866) 857-7095 for information.

- **Dollar Energy Fund**

The Dollar Energy Fund is an emergency hardship fund designed to help residential customers who have suffered a recent financial hardship and need temporary help to pay their electric bill. This program is funded, in part, by FirstEnergy employees, shareholders and customers. The distribution of funds is administered by Dollar Energy Fund in conjunction with community-based organizations throughout our Pennsylvania service territories. For more information, call (888) 282-6816 or visit [www.dollarenergy.org](http://www.dollarenergy.org).

• **WARM Program - Low Income Usage Reduction Program (LIURP)**

The WARM Program can help low-income customers reduce their electric bills and keep their homes more comfortable in the winter and summer months. It is available to homeowners and renters with landlord approval. Customers participating in WARM:

- Receive an in-home energy evaluation
- Work with a trained energy educator to create an energy-savings plan
- Have the opportunity to receive the following energy-saving items installed in the home:
  - Caulking and weather-stripping
  - Refrigerator/freezer testing and possible replacement
  - Electric water heater inspection
  - Energy-saving light bulbs

The specific improvements that a customer is eligible to receive will be determined during the home energy evaluation. No payment is required for these installations/services. There are household income requirements and electricity use requirements. To determine eligibility, call 1-800-207-9276.

Residential customers of FirstEnergy's Pennsylvania utilities who are interested in finding a more convenient way to manage their electricity bills also can sign up to extend their bill due date or for an extended payment program. To learn more, call (800) 686-0021 (West Penn Power customers)
